The Partnership Forums in Bolton aim to strengthen school governance by providing information about local and national initiatives and changes in government legislation. The forums help support effective communication between governance boards and the local authority and promote cohesive working within the Bolton family of schools. The forums are organised and facilitated by the Governance Services Team, with a strategic lead from within the Education and Learning Team.

Whilst social distancing measures continue to operate, and to ensure the safety of all service users and staff, this term's Partnership Forum will be held as a live virtual / webinar event. A Q&A service will be available during the live event.

An event link will be sent to all those booked on the event by Friday 9 October 2020.
