

# Partnership Forum

*A termly forum for nominated Partnership Governors*

**Monday 12 February 2024**

**6.30 – 8.30 pm**

## **Bolton Science and Technology Centre**

The Partnership Forums in Bolton aim to strengthen school governance by providing information about local and national initiatives and changes in government legislation. The forums help support effective communication between governance boards and the local authority and promote cohesive working within the Bolton family of schools. The forums are organised and facilitated by the Governance Services Team, with a strategic lead from within the Education, Learning & Inclusion Team.

The meetings are held on a termly basis and membership is based on attendance of one governor/ trustee per primary school or academy – the 'Partnership Lead'. If the Partnership Lead is unable to attend any of the meetings, a substitute colleague from the board may attend in their place. Attendance is free of charge for all Bolton schools and academies.

A recording of this session will be available post-event and will be provided to all attendees. If you are unable to attend the forum but would like access to the recording, please complete our online booking form which can be found by following the booking link below and in the 'Special Requirements' section of the form type 'Request Recording'. The video will be released via the Governance Gateway and delegates will receive an email to advise when it is accessible.

**To attend or receive the pre-recorded video, booking is essential**
