

Family Hub Fun Days

Family fun activities,
freebies, free
refreshments,
information and
much more!

Come and celebrate the launch of exciting new services for children and families across Bolton's Family Hub network.

Family Hubs provide a range of support services for families with children aged 0-19 or 0-25 for children and young people with special educational needs and disabilities.

(Former Start Well Centres)

As part of the Government's new Family Hub and Start for Life programme, our current Start Well Centres will be transformed into Family Hubs. These will enhance and add to the existing services and support available to families from pregnancy through childhood and beyond. Families are invited to join us as we launch Family Hubs and hear about the services we have available, tell us more about what services and support you would like to see more of and enjoy a range of fun, free and family friendly activities.

These are free
events and open
to all ages, there is
no need to book.
